Re: United States v. Luis Rivera, 19 Cr. 313 (AT)

Dear Judge Torres:

The parties respectfully submit this letter in connection with the violation of supervised release conference scheduled for February 15, 2023. Following the last adjournment, the Government interviewed the victim of the August 23, 2022 assault alleged in Specifications One through Four ("Victim-1"). Based on that interview and discussions between the parties, the parties expect that an evidentiary hearing is necessary. The parties also understand that Victim-1 has previously testified regarding the alleged assault and we would like the opportunity to review that testimony and other case materials before proceeding with the evidentiary hearing.

The Government anticipates that any evidentiary hearing would last no more than one day. The parties are available any day during the weeks of March 27 or April 3, apart from April 4. Accordingly, the parties respectfully request that next week's conference be adjourned and that an evidentiary hearing date be set.

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney for the
Southern District of New York
